Bid# 14-14, Communications Tower Compound ADDENDUM NO 003

Dear Vendor,

The original Invitation For Bid 14-14, Communications Tower Compound remains in effect except as revised by the following changes, which shall take precedence over anything to the contrary in the specifications.

Except as amended by this Addendum, all terms and conditions of the Bid remain unchanged.

The following change(s) to the above-referenced Bid have been made as designated below:

Mark Designation	Description
	Change of specification(s)
	Additional specification(s)
	Change of bid opening time and date
	Cancellation of bid
✓	Change of pricing page

The Bidder is hereby notified that the pricing page within this Bid has been changed. The bidder must review the revised official bid document as modified by Addendum # 003 for further details.

- a. Bidders may provide bids for one, some, or all of the following Communication Tower components or combinations thereof. Bid submissions may be offered for the following scenarios:
- 1) Tower manufacturing only;
 - 2) Tower erection and grounding only;
 - 3) Shelter construction and grounding only;
 - 4) Construction and installation of concrete foundation for Tower footings;*
 - 5) Construction and installation of concrete foundation for Shelter;*
 - 6) Tower manufacturing, erection and grounding combination;
 - 7) Tower erection and shelter construction to include grounding for both tower and shelter
 - 8) Tower manufacturing, erection, grounding and construction/installation of concrete foundation for Tower footings combination;
 - 9) Tower erection and shelter construction to include grounding as well as construction/installation of concrete foundation for both tower and shelter
 - 10) Shelter construction and grounding to include construction/installation of concrete foundation for the shelter combination;
 - 11) The provision of ALL components (tower manufacturing, tower erection, shelter construction, as well as grounding for all components and construction/installation of concrete foundations for all components)
- b. If proposing a solution for more than one scenario described above, it is highly desirable that the bidder submit an entirely separate bid response for each scenario proposed which should be identified with company name and scenario on the bid cover or front page.

***NOTE:** Depending upon the tower and shelter components awarded, Clay County may choose to provide the concrete foundations for the tower footings and/or the shelter if it is determined at the County's sole discretion that it is more cost effective to do so.

ACKNOWLEDGEMENT:

Each bidder shall acknowledge receipt of this Addendum No. 003 of Bid No. 14-14, Communications Tower Compound by their signature affixed hereto, and shall attach this Addendum to the original Bid.

The specifications by virtue of this addendum become a permanent addition to the above referenced Bid. FAILURE TO RETURN THIS SIGNED ADDENDUM MAY RESULT IN REJECTION OF YOUR BID. The bidder hereby declares understanding, agreement and certification of compliance to provide the items and/or services, at the prices quoted, in accordance with all terms and conditions, requirements, and specifications of the original bid as modified by this and any previously issued Bid amendments.

The bidder agrees that the language of the original bid as modified by this and any previously issued bid amendments shall govern in the event of a conflict with his/her bid.

If you have any questions please contact Ethel Kitchell at EKitchell@claycountymo.gov or (816) 407- 3633.
