

## Minutes

### Developmental Disabilities Resource Board of Directors

#### DDRB Board Meeting via Email

#### Sherwood House Price Reduction

**November 19-21, 2018**

The **Board of Directors of DDRB** met via email November 19-21, 2018. The purpose of the meeting was to vote on approving a decrease in the listing price for the Sherwood House.

The following was sent via email at the request of Gary Steinman to all board members.

#### **Email Dated November 19, 2018:**

Dear DDRB Board,

This email is sent at the request of Gary Steinman requesting your vote on reducing the list price of the Sherwood House.

The house is currently listed at \$260,000. The realtor has recommended that we reduce the price to come in below the \$250,000 price range. He thinks we may gain more interest at this search criteria.

Please let me know if you **approve or disapprove reducing the list price of the Sherwood House by \$15,000**. Please reply asap as Patrick suggests a good time to make this reduction would be this upcoming weekend.

**The Board Members voted to approve reducing the list price by up to \$15,000.** All board members voted to approve with the exception of Stephen Elliott who was out of the country and unable to respond to emails.

Respectfully submitted: Sonja Bennett
